

# SMART TABLES® High Pressure Laminate

Smart Tables are ready to help you get the most out of your presentation rooms, teaching areas and conferencing sites. This furniture is designed to be versatile, mobile and adaptable to meet the ever-changing needs of today's world of business and learning. Choose from 3 different top shapes and optional casters

to easily reconfigure tables for many uses. Table tops feature 1 1/4" thick high pressure laminate top with a backer for stability, while perforated metal modesty panels offer an attractive solution. Optional wire management system channels cords horizontally and vertically while optional power/data module allows

you to plug in to power and data outlets. Choose from three distinctive base functions – free standing, tilt and folding. And now, Smart Tables are outfitted in the izzy+ flavors palette of materials and colors, bringing a fresh new look to an all time favorite. For more information on izzy+ flavors, see page 122.
